If you are unable to play your match, it is your responsibility to find a replacement, notify your partner and/or opponents or rearrange your match for a different time

Please refer to the website for full Twilight Rules

Courts Can be booked using the Pay2Play system

If a team fails to turn up for a match or cancels on match day, the opposition may claim a default and 4 points at their discretion. The opposition can choose to rearrange the match depending on the circumstances

The committee **STRONGLY** advises that you play matches using reserves or available players rather than postpone, as experience shows matches are otherwise forgotten and never played

Teams will play each other at least once, and this season we are introducing a Play-off at the end of the season. To be eligible for the Playoffs your team must have played at least Half their scheduled matches and play with your listed partner
